

Before becoming an official member of the Antelope Valley Corvette Club (AVCC), perspective members must first meet the requirements described in the AVCC by-laws, which are found on our website. Once the by-law requirements are met, we ask that the perspective member(s) attend at least 2 club activities, one of which must be a regular scheduled business meeting held on the first Wednesday of every month. However, the perspective member(s) is not obligated to join AVCC after attending 2 club activities, but is eligible.

When the perspective(s) is ready to become a member, they must be voted in by a unanimous vote from the attending club members at a regularly scheduled club business meeting. Prior to the voting, we ask that you bring and distribute a chocolate bribe to the membership in order to sway the votes in your favor. :)

Once voted in, the member will be required to pay the AVCC club dues, which are \$36.00 per individual/\$60.00 per couple. These are annual dues and are prorated after the month of April. Also, due at that time are our national affiliated club dues for the National Council of Corvette Clubs (NCCC), which \$35 per individual/\$45 per couple.
